

This highly functional care bed was created in pursuit of a universal design

Resin Board

Wooden Board

Wooden Shelf Board

Patent No. 5089785
(Lumbar Support Mechanism)

Patent No. 5089786
(Control Switch Shape)

Patent No. 5089793
(Resin Board Shape)

Function

2 Motors

BACK RAISING
70°

BACK & KNEE
70°/25°

HEIGHT
ADJUSTABLE

3 Motors

BACK RAISING
70°

BACK & KNEE
70°/18°

KNEE RAISING
18°

HEIGHT
ADJUSTABLE

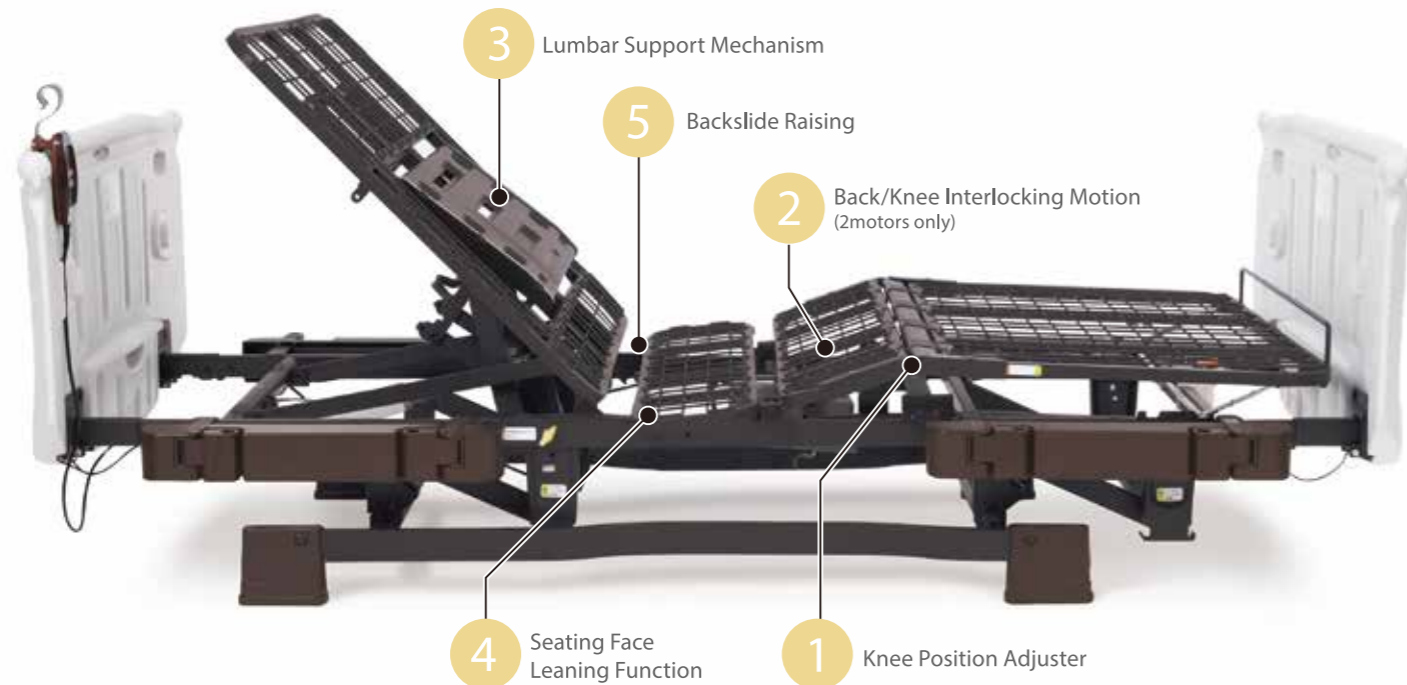

Equipped with Highly-Functional Motor from LINAK in Denmark

Miolet ForU's motor is quiet and water resistant (IPX4)*
*IPX4 indicates the waterproof protection standard against spraying water at all angles

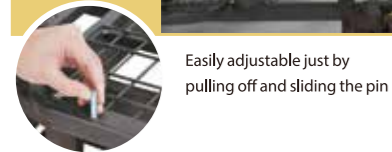

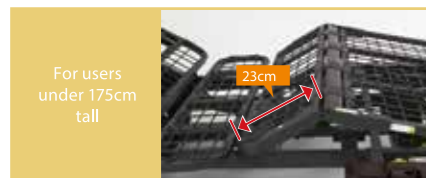

Features

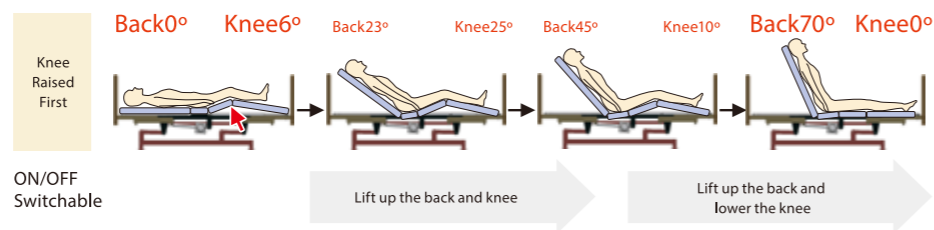

Reduces pressure and slippage when reclining

1 Knee position adjuster to reduce slippage during reclining

2 Back/Knee Interlocking Motion

3 Lumbar Support Mechanism Increases the Comfort of Back Lifting

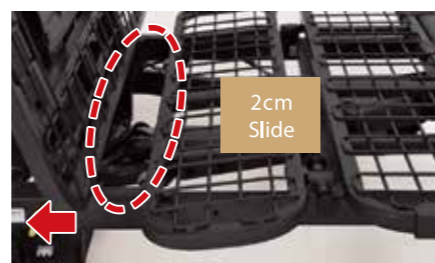

ON/OFF Switchable

4 Seating Face Leaning Function

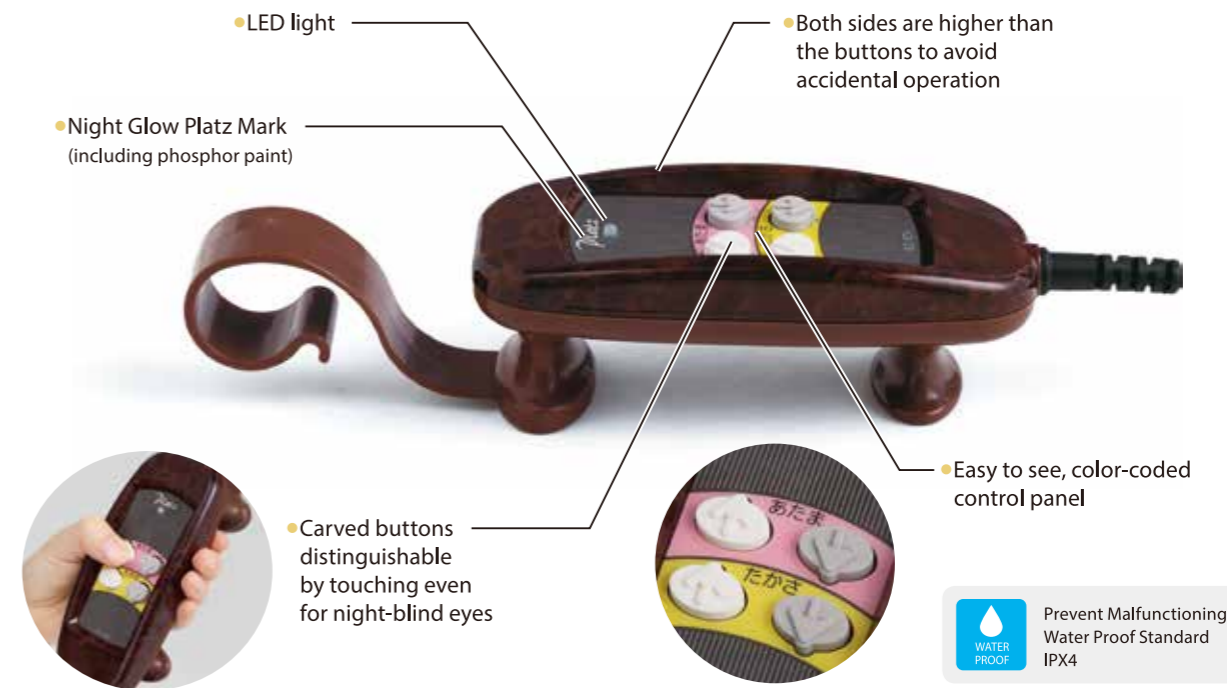

5 Backslide Raising

Universal Design Control Switch

Easy to Hold and Use Universal Design Control Switch

Prevent Malfunctioning
Water Proof Standard
IPX4

Easy to operate with a weak grip

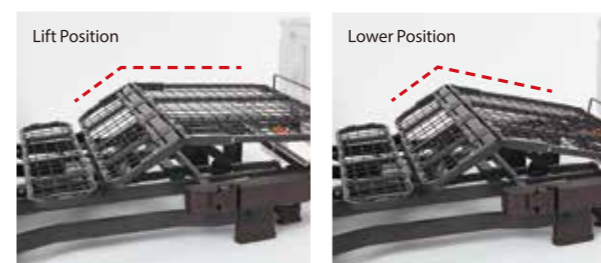

Easy to hang on the side rails and boards

Unique Japan-made with Delicate Care

Unique Japan-made with delicate care reduces the burden of users and caregivers

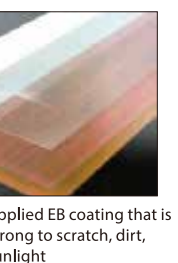

Swollen reduction by foot lifting function

Does not interfere with transferring to a wheelchair

EB Coating

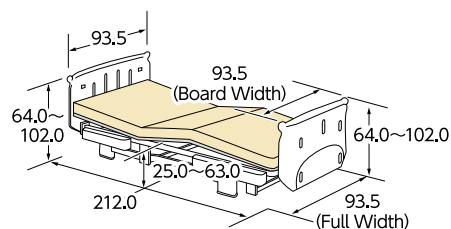

Specifications

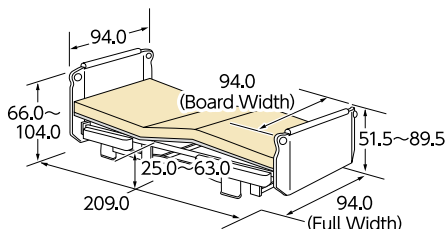

2 Motors, 3 Motors

(Unit: cm)

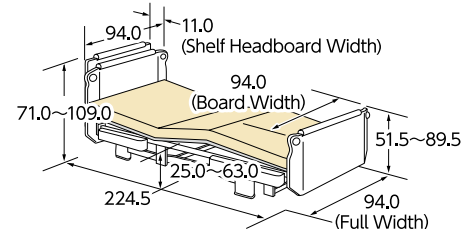

•Resin Board

•Wooden Board

•Wooden Shelf Board

* Full width when using rail holder is 101.0cm

	Wooden Shelf Board	Regular Size	105.5kg	109.0kg
Packing		6		
Material		Frame: Steel, ABS / Resin Board: PE / Wooden Board: MDF Olefin board, Natural woods		
Angle Adjustment	Back Angle	0 - 70°		
	Knee Angle	0 - 25°	0 - 18°	
Bottom Height		25.0 - 63.0cm With height raiser (PC501-FU45): +4.5cm		
Voltage (Electricity Type)	Type-A	100VAC (50/60Hz)		
	Type-B	230VAC (50/60Hz)		
Power Consumption		100W		
Motor		Denmark LINAK		
Maximum Load Capacity for User's Weight		138kg / Safe load capacity: 174kg(1700N)		
Country of Manufacture		Vietnam		

Optional Parts

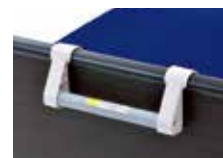

PC501-FU45
Miolet ForU, Miolet II
45mm height raiser (4pcs)
Material: PP
Height in usage: +4.5cm

PC500-FU8CK5
Miolet ForU Caster (4pcs)
Material: Nylon, Polyurethane, Steel, ABS
*4 pcs: 2 with stopper and 2 without stopper

PE501-D40
Control Switch Holder
Material: PP
Dimension: length 21.7cm x width 7.6cm x height 5.3cm
Weight: 60g

PE500-A4050
Air Mattress Hanger
Material: (Bar)POM, (Hook)ABS
Dimension: length 33.5cm x width 10.5cm x height 12.5cm
Weight: 420g
Withstand load: 10kg

Usage Example
